

## Secretaries Report 2020

It has been a different year, rather than opening doors and greeting users etc, it has been challenging interpreting Government Guidelines to enable the Institute to be used Covid 19 compliant. I thank Hugh and Chris Fiona John and all committee for their help. Saying that the figures are surprising 2019 we had 434 events but even through the Institute being closed for many months we had 167 events in 2020. The rooms being used from 09.30 to 22.00. on many days.
