Levens Institute Trustees invite you to our first online AGM and SGM. 7.30pm Tuesday 16th February 2021

We will update you on how we have been dealing with COVID impact on the Hall and do our normal AGM jobs.

We also want to ask you to support us in our process to update how we run the Institute this is why we are also holding a Special General Meeting to approve the transfer of the Institute from the existing charity to the new Levens Village Hall charity - see village website page for full details.

If you would like to attend drop us an email at: the.institute@levens.org.uk to get the zoom link and further information. We obviously also accept any resolution on the same email address.
